To calculate the final score we will use the sum of the below factors:

Parameter	Weight	Why?	Details
Received solution mark	1	Providing a helpful reply that is ultimately selected as a solution is the most valuable	Sum of all solutions received in the given month
approved flags	0.25	Flagging the troublesome topics (such as spam) using our Forum Flag feature is much appreciated and helps us keep our Forum clean	Sum of submitted flags that were resolved by Forum staff as "agreed"
inviting users	0.25	Inviting users to our Forum allows us to grow it and help more users out	Inviting users to our UiPath Forum via the Forum built-in invite feature

Scoring example

A user whose activity included:

- 10 posts, out of which 2 posts were marked as a solution
