2006 VIN decoder

2006 DRAFT
2006 DEL YEAR VIN DEC

2006 XKs have started arriving in Jaguar dealerships across the country. The balance of the Jaguar line up for 2006 will start production a bit later this year. In anticipation of the need for dealer ordering, etc., the 2006 vin decoder has been drafted and is attached to this memo. If you find any inconsistencies, please let me know. I would expect the 2006 decoder to be finalized by July 2005.
