The Supplier shall give the Purchaser advance notice of changes to his manufacturing processes, materials or parts incorporated in his products, of the relocation of production plants and of modifications made to the methods or facilities for the testing of the products or to other quality assurance measures. The Supplier shall give the Purchaser sufficient time to check whether such changes may have a detrimental effect on the products. The Supplier shall, however, not be under any obligation to notify the Purchaser if, he concludes that he may reasonably exclude such effects.

**Except to the extent explicitly agreed in writing, signed by both parties, the terms and conditions detailed at [www.huntsman.com/suppliertermsandconditions](http://www.huntsman.com/suppliertermsandconditions) apply to this order. Terms and conditions of the supplier are rejected by Huntsman, unless Huntsman has explicitly accepted such terms and conditions in writing.**
